PROFESSIONAL SUMMARY

Web developer with minimal experience in developing responsive websites, debugging. I look forward to learning more and improve my problem solving skills in order to become an efficient full stack developer.

TECHNICAL SKILLS

- Python, Django
- HTML, CSS, JavaScript
- Bootstrap
- JQuery
- SQL Databases

EXPERIENCE

IT Intern (Oct 2018 – Dec 2018)

Huduma Centre (Eastleigh)

- Researched technical issues thoroughly to complete accurate repair work.
- Configured office computers to the respective servers.
- Troubleshoot office computers and equipment to keep devices operational.
- Shadowed qualified technical team members to develop maintenance and repair skills.

EDUCATION

Bachelor of Science in Information Technology (Graduated 26th November 2021)

Jommo Kenyatta University of Agriculture and Technology

Second class honors, lower division.

ADDITIONAL SKILLS

- Program coding
- Code debugging
- Gather requirements
- Evaluate user requirements
- Develop specification
- Problem solving

REFERREES

Allan Wafula

Engineer

Eng.allan.wafula@gmail.com

+254729828256

Allan is an engineer I briefly worked under at Goracit Technologies where is undertook the customer liaison role.

Susan Kibati

Huduma Center

+254720373740

Susan is a DCI officer. She was stationed at Huduma Center Eastleigh where I undertook my undergraduate industrial attachment.
